Who we are – We are a cousin team, Laura & Molly, born and raised in Kent, from a large farming family.

What we do – we create delicious homemade goodies from cakes, brownies & scones through to quiches, scotch eggs & sausage rolls and everything in between. Everything is locally sourced and made from scratch. We pride ourselves in supporting other local businesses!

Why we do it – we believe in the power of homemade goodness where you can taste the love with every bite. We come from a family where everything is freshly created, to honour our late Grandmother, we want to continue this via our own small business.

We care about you and your customers and believe you should have the best at fair prices. The end goal is your customer experience – we are certain your customers will comment on how incredible your cakes and bakes are and come back for more!
